

PuFoam 130D

Polyurethane foam board

Product description

PuFoam 130D is a machinable polyurethane foam board for design models, master models and styling.

Key features

- Good dimensional stability • Good surface quality after machining
- Easy to machine • Unfilled

Physical properties

Product	PuFoam 130D
Colour	Yellow/brown
Density	Approx. 0.13g/cm ³

Mechanical properties

Test item	Test method	PuFoam 130D
Shore C hardness	-	70C
Compressive strength	ISO 844	1.3 MPa
Coefficient of thermal expansion	ASTM D696	40-60 x 10 ⁻⁶ K ⁻¹

Board dimensions

2000*1200*100 mm

2000*1200*200 mm

2000*1200*300 mm

Please contact our customer service team for other dimensions.

Safety precautions

Avoid skin contact during machining. Wear protective clothing, a mask and protective gloves as necessary, and work in a well-ventilated area. Refer to the material safety data sheet for further information.
